

ORLEN OIL WINDOW CLEANER

General features:

Orlen Oil Window Cleaner is available as a foam ideal for cleaning all glass surfaces, leaving them shiny without smudges and patches. Its new formula helps to eliminate possible light-reflective streaks. Easily removes insects from surfaces being cleaned. It is safe for lacquer and seals.

Application:

The product is intended for removing persistent contaminants (dried mud, insects) from windscreens, side mirrors and lamps. It is also suitable for use in household applications.

Package:

500 ml bottle with trigger

Physical and chemical properties:

| Parameter | Units | Typical values |
|-----------------|----------------------|----------------|
| Color | organoleptic | clear |
| Density at 20°C | [g/cm ³] | 0,980 – 1,000 |

NOTE: Physicochemical parameters listed in the table are typical values. Real values are stated in quality control certificates attached to each product lot.
